

1997 TOWN REPORT

Bennington, N.H.

In Memoriam ...

Bennington lost one of its best-known and most respected citizens in 1997. Gladys E. Newhall died at Monadnock Community Hospital on Memorial Day after a period of failing health.

A Bennington native, Gladys was the daughter of Olin and Eileen (Harrison) Newhall. she was educated in Bennington and Hillsborough schools and attended Simmons College and Boston University.

During World War II, she served in the US Army as a nurse and was stationed at Walter Reed Hospital in Washington, DC. She was a nurse in Peterborough schools and served the Town and area as a Selectperson and as a member of the Conval School Board.

She was a member of the Brown-Knight VFW Post and a past President of its Auxiliary. She was also a member of the American Legion, Antrim. Long interested in youth activity, Gladys and her sister Peg donated the land to the Town of Bennington on which, in 1990, Newhall Youth Field was dedicated. she made an additional gift of land at that site in 1995, permitting development of the current basketball court and youth soccer field facilities.

ANNUAL REPORTS

of the

TOWN OFFICERS

of

BENNINGTON, NH

for the Year Ending December 31, 1997

TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: You are hereby notified to meet at the Fire Station on Tuesday, the tenth day of March, next at eight o'clock in the forenoon, to act upon the following subjects:

Note: The casting of absentee ballots will begin at 1 p.m. The polls will close at 7 p.m.

1. To choose all necessary Town Officers for the year ensuing.
2. Shall the Town amend the organization of its Fire Department through appointment by the Selectmen rather than election of its Chief and other Officers as authorized under RSA 154:1 IV, the change in method of selection not to take effect until one year from its adoption?
3. Shall the provisions for voting by Official Ballot on all issues before the Town of Bennington under RSA 40:13 be limited to election of officers and certain other questions?
4. Shall the Town amend the action taken at the 1997 Town Meeting (Article 6), instituting the practice of printing invoice and property tax listing in each Town Report, to a requirement that this same information be included in every fifth year of the Report?
5. Shall the Town accept as a public highway, and assume responsibility for maintenance of "Merrill Drive", so-called, beginning at Durgin Road and terminating in a cul-de-sac, as shown on a subdivision plan entitled Subdivision Plan of Marshall Bennett, and approved by the Planning Board on November 14, 1988?
6. Shall the Town to raise and appropriate the sum of forty-seven thousand seven hundred dollars (\$47,700.00) for the purpose of constructing a new Highway Department Garage at the Transfer Station?
7. Shall the Selectmen appoint a study committee of not more than 7 people, including local builders, painting contractors and members of the Historical Society to study options for caring for and restoring the exterior of the Town Hall? The committee shall present a recommendation to the Selectmen prior to next years' Town Meeting.

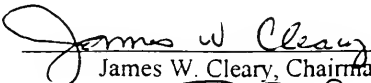

8. Shall the Town raise and appropriate the sum of six thousand eight hundred twenty-five dollars (\$6,825.00) for the purpose of replacing the present front overhead doors of the Fire Station?
9. Shall the Town raise and appropriate the sum of two thousand two hundred dollars (\$2,200.00), for the purpose of siding the Town's Fire Station, that portion currently faced with cement block, in actual brick. This amount represents one-half the total cost for the work; the other half to be paid from previously appropriated Fire Department Funds encumbered from the 1997 Budget?
10. Shall the Town raise and appropriate the sum of two thousand five hundred dollars (\$2,500.00), to purchase a video camera for use in the Police Department's primary cruiser?
11. Shall the Town raise and appropriate the sum of six hundred fifty dollars (\$650.00), to purchase a bulletproof vest for use by the Police Department?
12. Shall the Town raise and appropriate the sum of five thousand two hundred forty-four dollars (\$5,244.00), to continue tree and limb work at both Sunnyside and Evergreen Cemeteries; to rebuild the tool shed at Evergreen Cemetery and to complete cement and masonry work, primarily at Sunnyside Cemetery?
13. Shall the Town raise and appropriate its share, the sum of five thousand seven hundred ninety-eight dollars (\$5,798.00), to perform water testing, gas survey monitoring and the mowing of grass at the Landfill, all as required by the post-closure agreement with the State of New Hampshire; the costs of which are borne by Antrim, Bennington and Frankestown?
14. Shall the Town raise and appropriate the sum of six hundred dollars (\$600.00) as its share of 1998-99 programming for Project LIFT (Fuller Public Library, Hillsborough) which provides literacy services and materials to Bennington residents over 16 years of age?
15. Shall the Town (1) raise and appropriate the sum of ten thousand dollars (\$10,000.00), to be added to the Highway Truck Capital Reserve Fund (2) to authorize withdrawal from that Fund such funds as are necessary, not to exceed the amount of thirty-five thousand dollars (\$35,000.00) for purchase of a replacement of the one-ton truck?

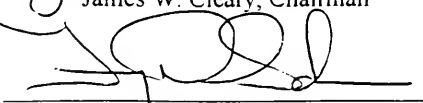

16. Shall the Town (1) raise and appropriate the sum of five thousand dollars (\$5,000.00), to be added to the Mower Capital Reserve Fund (2) to authorize withdrawal from that Fund of such funds as are necessary, not to exceed ten thousand one hundred dollars (\$10,100.00) to purchase a mower for use on Town lawned areas?
17. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000.00), to be added to the Sewer Department Capital Reserve Fund?
18. Shall the Town raise and appropriate the sum of two thousand five hundred dollars (\$2,500.00), to be added to the Water Department Capital Reserve Fund?
19. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000.00), to be added to the Fire Truck Capital Reserve Fund?
20. Shall the Town raise and appropriate the sum of three thousand dollars (\$3,000.00), to be added to the Forest Fire Truck Capital Reserve Fund?
21. Shall the Town raise and appropriate the sum of two thousand dollars (\$2,000.00), to be added to the Rescue Van Capital Reserve Fund?
22. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000.00), to be added to the Highway Department Equipment Capital Reserve Fund?
23. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000.00), to be added to the Police Cruiser Capital Reserve Fund, and to authorize the Board of Selectmen to withdraw from that Fund such funds as are necessary (not to exceed \$32,000.00) for purchase of a 1998 replacement Explorer cruiser?
24. Shall the Town raise and appropriate the sum of four thousand dollars (\$4,000.00) to be added to the Library Capital Reserve Fund?
25. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000.00) to be added to the Bridge Maintenance Fund, an expendable general trust fund created by the 1997 Town Meeting?
26. Shall the Town raise and appropriate the sum of two thousand nine hundred and eighty-three dollars (\$2,983.00) to replace the obsolete tank level receiver/controller located at the Fire Station?

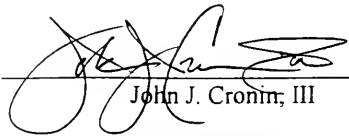

27. Shall the Town raise and appropriate as an operating budget, not including appropriations by special articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling seven hundred forty-two thousand five hundred ninety-one dollars (\$742,591.00)? Should this article be defeated, the operating budget shall be seven hundred fifty-three thousand eight hundred fifty-one dollars (\$753,851.00), exclusive of special articles, which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one Special Meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only?

Warrant Article #27 (operating budget article) does not include warrant articles 6 through 26, inclusive.

Given under our hands and seal this seventh day of February, in the year of our Lord nineteen hundred and ninety-eight.

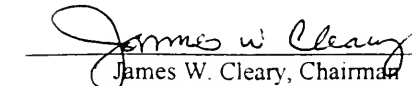

James W. Cleary, Chairman

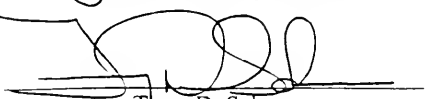

Terry D. Schnare

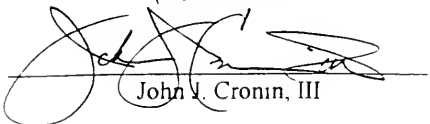

John J. Cronin, III

John J. Cronin, III

SELECTMEN'S REPORT

"Another drawback to our receiving the full benefit of our expenditure of school money, is the condition of our school houses, especially in District Nos. 1 and 2. The home of the scholar through the poverty of the parents, may be poor and mean, but his school house should be, never. Is it not bad economy have such houses? are they not repulsive rather than inviting? And during the past winter in a general time of health, how many of our scholars were absent from school from disease engendered in the school room. Are not these school houses verily nurseries of fevers and consumption, where the germs of disease are sown in the system that may never be eradicated.

While neighboring towns are waking up to the importance of this subject, shall we lag behind, content with these old relics of ignorance and parsimony. The wise man hath said, "There is that which withholdeth more than is meet, but it tendeth to poverty," is as true in regard to school houses as any other subject.

Awake, then, to the importance of your highest interest; and while your inconvenient buildings are given place to more tasteful and commodious structures, let not the school house, the most important of all, be the last to share in the work of renovation"

That excerpt, on dusty, yellowed and wrinkly parchment, is taken from an 1869 report to Bennington fathers and mothers by Superintendent John H. Fleming.

It highlights, by way of contrast, the Town's cover story of 1997, construction and opening of the new Pierce School. The Selectmen respectfully salute all of the people, in and out of educational ranks, who made this new facility possible. We'd like to believe that it was indeed just the kind of parental concern Mr. Fleming was rallying for in 1875 that brought the new Pierce School about. We join you in the hope that in the year ahead it will figuratively and literally become a focal point for citizen involvement in both school and town affairs.

In the "you-pay-for-what-you-get" world of the 1990's, a new school should be followed by a jump in the tax rate to pay for it. And there will assuredly be an increase as bond repayments kick in, beginning as early as 1998, but the Selectmen proudly note that we've been treated (for the second year in a row) to another dip in the rate, almost 10% over 1996. As Municipal managers, it's tempting for the Board to claim the credit for the drop. The reality is that, just as school costs account for most of the increases in our taxes, so are they also responsible for the decreases - close to 68% of this year's decline came from the School District portion of the budget. Nevertheless, we hail it and we congratulate, again, the persistent and persuasive few who brought about the 1996 revision in the School Formula.

Acknowledging the School's dominance in tax rate determination, there is a facet of our - and your - financial balance sheet within our control and for which town leadership can take credit. The municipal budget is developed entirely by Department Heads and the members of the community's Committees, Boards and Commissions. For the second year in a row, the dollar requests of these people to run their respective programs - the programs which constitute Bennington's operating budget - has stabilized or has actually decreased. The demand for legal service is a fair example. It has gone from \$29,000 in 1995 (actual expenditure \$139,500) to \$20,000 in 1997 to a requested \$8,000 in 1998.

Although requests for capital reserve and special project funding may result in taxpayer approval of budget increases in the next two years. Department Heads and volunteer leadership are to be congratulated on stabilizing operating budget requests.

Bennington has conducted and paid for two studies over the past twenty months which taxpayers should be aware of. The first was a computerized Inventory and Assessment of Road Surfaces in Bennington. It was conducted by the Technology Transfer Center, UNH. Its purposes included, in addition to the inventory, (1) to determine and document the condition of each Town road; to prioritize maintenance and repair requirements; (2) to choose maintenance or repair methods appropriate to each condition category; (3) to determine unit costs for these methods and to establish long-range work and budget plans. The study found that 24% of our roads were in need of rehab or reconstruction and that our current capital improvements budget is inadequate to meet needs for surface maintenance. In response to the Survey findings, the Road Agent has asked for additional funding in 1998 and has devised a plan, utilizing a range of options, for holding or improving road surfaces.

The second study is actually funded by the member communities of the former Tri-Town Landfill - Antrim, Frankestown and Bennington. Its purpose was to determine the quantity and type of mineral resources remaining in the 86-acre tract purchased by the three towns in 1977 as a landfill. Planners in all three towns have long recognized that the non-used acreage in the tract contained valuable gravel, sand and loam deposits. The Study, completed this fall by the Bedford engineering firm Dufresne-Henry Inc., not only sited and quantitated the volume of each kind of soil available, but it also contains a design and plan for removal of the nearly one million cubic yards of marketable gravel and sand there. At current consumption rates, that's a plus 100 years supply.

Equally as important, the survey will provide the three towns with a database from which a plan for extraction can be designed which will insure equitable distribution between the three communities and from which a design for systematic reclamation of the mined-over acreage can be established.

While it may not be apparent to the average citizen, two other time-consuming problems were resolved or brought closer to resolution in 1997. In concert with Pierce School construction, the Selectmen, Chief Campbell, Dave Blanchard and others have put together a traffic flow pattern for Main Street, Route 31 and Route 47. It followed extensive negotiations with officials of the State Department of Transportation. Some results are already evident. We're convinced, for example, that the stop sign at the Route 31 junction is a safety success. Public response to the rearranged Main St./Frankestown Rd. intersection has been enthusiastic. Still in the field test stage, we also hope that the restructured Route 31 pattern around the Bennington Garage will improve this long-standing traffic and safety hazard in the center of Town.

The second problem apparently resolved in 1997 goes back a full decade. The owners of the former Bennett Subdivision (Merrill Drive), Primary Bank, came to an agreement with the Selectmen in April of this year, providing the funds necessary for completion of Merrill Drive in accordance with Town road specifications. The decision allows the Bank to sell the remaining lots in the Development while providing the residents there with access to their homes over a safe road surface. You will have an opportunity to vote on acceptance of the Drive as a Town roadway on March 10. The Selectmen strongly urge that you vote yes.

Nothing would give this Board of Selectmen greater pleasure than to announce - at any time in the year - that the Crotched Mountain Ski Area has been sold and that it is reopening.

Regardless of appearances on the site, there is cause for hope. As Selectmen, we continue a quiet but persistent effort to get the Ski Area back on its feet. Negotiations are entering the eighteenth month with the same potential buyer - one who has presented an engineering and a financial plan for reopening the Area.

We cannot interfere with these sometimes delicate negotiations nor can we intercede in the affairs of other communities. Nevertheless, we will persist. And we repeat ... there is cause for hope.

Every community likes to think of itself as on the move and there are a half dozen ideas/endeavors that are in or beyond the talking stage:

- ...the "Welcome to Bennington" signs became a reality in October, a citizen concept come to fruition
- ...planning is underway to make Dodge Library handicapped accessible, it's grounds and landscaping more appealing
- ...by summertime, the Fire Station will have a new face and, with voter support, siding and painting will follow on the Town Hall
- ...up for a vote, for the second time, will be a proposal for a new Highway Department Garage
- ...action is expected soon on broadening the programs offered by the Recreation Commission, and, in the spring, of improving facilities at Whittemore Beach
- ...Bennington is currently engaged in a trial program which will provide us with a second full-time Police Officer, trained at the State Police Academy under Town auspices in exchange for a two-year employment commitment to the community
- ...the Town Clerk's office has been certified for distribution of license plates, a service requested frequently over the past few years.

In the Selectmen's view, and despite our efforts, Bennington's biggest problem has yet to be addressed with any real success. We, like most sister communities, are witnessing the erosion of the volunteer and volunteer leadership base necessary to keep much of what we strive to do - and, in some cases, that which we are legally obliged to do - functioning effectively. We lack aggressive volunteer involvement in the Planning Board, the ZBA, the Recreation Commission - in fact, almost any entity you can name. We urge every resident, regardless of age, experience or political persuasion to make your interest/willingness known to us. We will find a place for you to serve.

We close by thanking all of you, and there are too many to recite, who have helped to make this a good place to call home in 1997.

Jim, Terry, John

STATE OF NEW HAMPSHIRE

Board of Selectmen
Town of Bennington, New Hampshire

We have compiled the financial statements of the Town of Bennington, New Hampshire for the year ended December 31, 1997 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from generally accepted accounting principles. Accordingly, these financial statements are not designed for those who are not informed about such differences.

A handwritten signature in cursive script that reads "Vachon, Clukay & Co., PC". The signature is written in dark ink and is positioned to the right of the main body of text.

All other funds except employee retirement funds	\$687,542
CENSUS USE ONLY	W01

CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Signatures of a majority of the governing body:

GENERAL INSTRUCTIONS

Three copies of this report are sent to each municipality. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When completed, one copy should be returned to the Department of Revenue Administration and one copy should be placed in your municipal records. The third copy is for use in preparing the annual printed report for the voters.

Please be sure you have completed Part IX, items A-E.

WHEN TO FILE: (R.S.A. 21-J)

* For cities/towns reporting on a calendar year basis, this report must be filed on or before April 1.

* For cities/towns reporting on an optional fiscal year basis (year ending June 30), this report must be filed on or before September 1.

SPECIAL NOTES FOR COMPLETING THE MS-2 FORM

This form must contain all the appropriations passed at an annual or special meeting. Combine all the approved and amended appropriations from pages 1 - 3 of the MS-6 posted budget form (pages 1 - 6 of the MS-7 for those municipalities which have adopted a budget committee). List the appropriate warrant article number in the Warr.Art.# column.

Do not cross off any accounts to enter your own titles. We have included the entire chart of accounts for reporting purposes. Please call us if you have any questions or need help in classifying any of your approved appropriations.

The revenue page, form MS4, is due September 1 and will be mailed to you in the summer.

588-3407

Wednesday	1:00 p.m. - 5:00 p.m.
Friday	3:00 p.m. - 8:00 p.m.
Saturday	9:00 a.m. - 5:00 p.m.
Sunday	1:00 p.m. - 5:00 p.m.

FROM EARTH GRADERS....
TO FIRST GRADERS...
THE NEW PIERCE SCHOOL-1997

Between Groundbreaking ceremonies October 10, 1996 and dedication ceremonies held on December 10, 1997, Pierce School went through a remarkable transition. Construction crews went down 28 feet to reach the right base for the footings and more than 10,00 cubic yards of fill were moved in before foundation work could begin. The photo montage above depicts several stages in construction of a building which incorporates a state- of the art heating/circulation system, a doubling of available classroom space and an All-Purpose Room available for school recreational and Bennington Public activities.

Photo Credit, Chief Steve Campbell

LIBRARY

This year was another record breaking year for the library, with ever increasing numbers of registered patrons, inter-library loan activity, circulation numbers, and a stellar attendance for the summer reading program. There have been a lot of changes this year. Melissa Putnam added Kelsea to our family, Chris Tarrío resigned after being with us for eight years, Elaine Barrett resigned after 15 years as a library trustee, Patricia Oh replaced Elaine and is now treasurer, and we lost some wonderful supportive patrons because of death and relocation.

This year we had an outstanding number of inter-library loan requests, and for the first time had a number of requests made to us from other libraries. Inter-library loan is a state wide program made possible by the New Hampshire State Library. All the materials loaned are moved around the state in vans owned and operated by NHSL. The van that services Antrim and Bennington arrives on Friday mornings to the Antrim Library. It is an incredible system, works very well and helps to provide our patrons with a variety of materials that we could never afford to collect. Keeping current and maintaining accreditation requirements allows us to participate.

We very much missed having the weekly Pierce School visits to the library this year, and looked forward to their arrival again in the fall. In the meantime we did keep in touch with other young patrons of Bennington by having Small Beginnings School, and our youngest citizens who are not yet in school, in on Monday mornings. Throughout the year we have also had special holiday programs, and the well attended summer reading program.

This year we formed a building committee to investigate the possibility of putting in a handicap accessible bathroom and entrance. After interviewing architects recommended to us by other libraries who are currently going through the same process, the committee recommended that the Trustees hire Tenant and Wallace out of Manchester. Architect Tom Wallace has been working on our project, and we have been very pleased with their choice. Tenant and Wallace have done a great many library renovations and new library buildings. Their strength is in putting additions onto buildings that strictly follow the style of the original building, so that the look of those buildings is unchanged.

Our summer reading program this year was a lot of fun. Linda Osienski and Debi Belcher, inspired and talented, landed an alien and his space vehicle on our front lawn. We were the envy of all other libraries. Unfortunately this summer's tornado crippled the craft, and for the remainder of the program our alien was grounded because of duct tape problems. We again broke records with attendance this year, and with numbers of pages read by Bennington readers.

We continue with our fifth year of Project LIFT. Anyone interested in being a student or a tutor, contact either the Bennington or Hillsborough libraries. The coordinator for Project LIFT is Martie Majoros out of the Hillsborough library.

We would again like to **thank all of our very generous volunteers and patrons who have donated books, periodicals, newspapers, audio cassettes, videos, computer programs, compact discs, money, craft supplies, posters, raffle donations, expertise, flowers, story time reading, program assistance, baking, raking, pruning, trimming, shoveling, trash removal talent, labor and time.** Thank you to all the **Sunday Volunteers**, who have generously given up 2 hours of their Sundays to keep the library open for our patrons. Thank you, too, to all those Great Brook students who think of us when they are looking for community service time. We have been fortunate this year, as we have in years past, to have so many patrons willing to give to the library. We are proud to write that the list of those who contribute to the well-being of our library has grown very long.

For several years, our neighbor, the **Bennington Country Store**, has donated the rewards and incentives for the summer reading program. **Great Brook Veterinary Clinic** has provided us with funds from their rabies clinic to help pay the cost of the summer reading program supplies, and the **Bennington Garage** has paid for the summer reading program story books, and for the food and beverages used for the program specials throughout the year.

Please remember our absent patrons; Gladys Newhall, Jerry Waller and Patricia Kyte, by checking out the memorial books we have for them in the library. They were generous and dear friends to Bennington and to our library, and we miss them very much.

We invite all of Bennington's citizens to join us, and help us with our endeavor to make the Dodge Library the most used library in all of New Hampshire, and to help us with our mission to raise money to create a library that is accessible to all, and one that can provide all of our residents with the information, technology and leisure materials that 21st century will have to offer.

Respectfully submitted,
Leslie S. MacGregor,
Librarian

RECREATION COMMITTEE

The Recreation Committee would like to take this opportunity and ask that anyone interested in helping out or, if you have an idea or suggestion, to please let us know.

The annual Fishing Derby went very well and we even had cooperation from the weather. Thank you to Bruce Edes and the Bennington Fire Department.

Little League, once again under the direction of the coaches, did very well. All of the coaches should be applauded for teaching our children the importance of good sportsmanship.

The Haunted Hayride did not happen this year due to not having enough volunteers, but we are hopeful it will return in 1998.

The childrens Halloween Party went very well and, as usual, decorating pumpkins was a big hit.

We sponsored a "glow bowling" night at the Bowling Acres in November and had almost 50 people in attendance.

This year at Christmas, the Christmas Party was returned to Pierce School with the arrival of Santa.

At the time of this writing, at Sawyer Park, a skating area is being made - thank you Gary Graham and the Fire Department.

At this time, we would like to thank all the volunteers for their time.

Respectfully Submitted,
The Recreation Committee
Susan Seneschal, Chairperson

POLICE DEPARTMENT

I am once again happy to say it has been a good year for the Police Department. My biggest concern is still the transition of personnel. However, I have also come to realize that in a small town that turnover is a constant concern. I am happy to say that the new year will start off with a full staff; two full-time officers and two part-time officers.

Officer Osman "Oz" Ozkan was hired as a part-time officer on May 28, 1997 and as a full-time officer on August 8th. He will be going to the academy from January to March 1998. The good news is he has agreed to stay for at least two years after graduation. On October 9, I hired Phil Marcellino, from Francetown, as a part-time officer and on October 30, Louis Chatel, from New Ipswich, was hired as a part-time officer. Both Officer Chatel and Officer Marcellino have police and medical backgrounds. Each of these three individuals are very community and people oriented. I know they will be an asset to the Town and I hope they will be around for a long time. We had two losses in 1997; Officer Nelson resigned to work in Peterborough and Officer Belanger resigned to work in Francetown.

The turnover of personnel in 1997 was less than in 1996 and I am sure with the staff of personnel we have now it will be better in 1998.

There were a lot of changes made to the Police Station in 1997. Changes include the following: painting of the walls, putting up new ceiling tiles, refinishing of the floor, buying matching chairs, having new Police Department signs made, putting up new window blinds and building of a new fingerprint cabinet. There is also a Town tapestry displayed on the wall. I invite everyone to stop by and see the new look.

The Police Department also received a new radar unit for the second cruiser. Just as a reminder, one-half of the cost was through a grant. Because the Town passed a Warrant Article last year, the Police Department is now the proud owner of a new computer system. In addition we purchased two new portable radios.

Some of my goals for 1998 are:

- Improvements on hours worked, maintaining stability in personnel and ensuring officers are performing in a professional manner and are happy to be doing the job
- Purchase of a new cruiser (replace the Ford Explorer with a new one)
- Purchase a video camera for the primary cruiser
- Improve on the organization and maintenance of files, supplies and evidence
- Have more community policing contacts

The following are some statistics for police activity for the year:

--Criminal Cases	296
--Juvenile Cases	140
--Calls for Service	1270
--Motor Vehicle	1301

In addition, court appearances, animal complaints, mutual aid requests, community policing contacts and administrative actions totaled approximately 1089. In all we had about 4096 police contacts in 1997.

I have been Chief almost two years and I still love the job and position. I enjoy working in Bennington and I think the people are great. I still hope to be here for a long time.

On behalf of everyone in the Police Department I want to thank you for your support. We are committed to providing you with professional and courteous police service. We are here to protect and serve, so please do not hesitate to contact us if you need anything.

The door is always open so please stop by, even if it is just to say hello.

Respectfully submitted,
Steve Campbell,
Chief of Police

BENNINGTON HISTORICAL SOCIETY

The Bennington Historical Society has just completed our 15th year; we have accomplished many significant projects:

- 1) Appraisal of the Town Collection
- 2) Writing and publishing the Pictorial History
- 3) Purchase of a Main Street lot for the museum building
- 4) Moving the former pest house and renovating it into "our museum"
- 5) Adoption of the Town Square, including the purchase of granite curbing for the rear of the lot, and yearly plantings of trees, shrubs and flowers
- 6) Having an afghan made showing the historical buildings of Bennington in blue and cream cotton.
These are for sale at \$49.95, two or more are \$40.00 each.

One of our new projects is to write a complete town history. Debra Thornblad, of the Villager, has started writing the chapter on the town government. The committee includes Arnold Cernota, David Sysyn, Ellen Hill and David Glynn.

The Museum Collection received several new items during the past year, we need more space and have voted to build an addition to our museum. Ron McClure, one of our trustees, is working on the design and plans. We thank one of our summer residents and society member, Pearl Walker, who generously gave \$10,000 to start our building fund.

We lost, on Memorial Day, one of our honorary and founding members, Retired Lieutenant Colonel Gladys E. Newhall. Gladys spent 35 years serving in the Army and Army Reserve. Gladys held several town government positions, including Selectperson and School Board member. Gladys was one of the largest landowners in the town; she and her sister Peg LaClair donated the land for the Newhall Youth Field. We will miss her.

A major change took place in the town center with the new addition to the Pierce School. The school, given by Colonel and Mrs. Pierce, was built on the site of the Adams Tavern, which was destroyed by fire in 1915. The nicely designed and landscaped addition includes classrooms, a library and a multi-function hall; it is a building to be proud of.

The parking square in the village has been revamped into part of Cross Street. Originally the land was called victory square and the Civil War Monument, paid for by public subscription, was placed there and dedicated on May 30, 1903. The monument was moved to the town square in front of the Congregational Church in 1949.

One of our Selectmen was up for re-election in 1997; John Cronin was re-elected.

The Lobsterman Restaurant was sold to Jerry Willis and after renovation was opened as the Red Maples. It is nice to have two excellent restaurants in town; best of luck to both Red Maples and to Joseph Cuddemi's Alberto's.

The cemetery vandalism in Bennington made the news in both the St. Petersburg Florida Times and the Boston Globe. It is a shame for Bennington to have such a black eye. I hope the vandals are caught and prosecuted to the fullest extent of the law. Buried in the Sunnyside Cemetery are soldiers from the War of 1812, the Civil War and other conflicts. The cemetery is hallowed ground and should be treated with respect by all.

We welcome new members to the Historical Society and invite all to join us in our ongoing projects. Let us all work together to make Bennington a better place to live in. We should be proud of our town; the new signs that appear on the town line roads say it all - "Welcome to Bennington". The same sign, a gift of the Firemen, is installed at the Fire Station - Thank You!

Respectfully submitted,
David A. Glynn, President
Bennington Historical Society

HEALTH AND WELFARE

I am pleased to report that the year 1997 went smoothly. We stayed within our budget and our elderly and needy are well cared for. Fuel Assistance opened up earlier than in previous years and Rent Assistance has been minimal. The Visiting Nurse - Home Health Care case load has been heavy, likewise Meals-on-Wheels. These programs make it possible for most of our elderly to remain independent in their own homes.

Many thanks to Father Bedard and St. Patrick's Parish for the Thanksgiving Dinners, along with all the other good people who contributed toys, food, "goodies" and help at Christmas.

Respectfully submitted,
Barbara Huntley
Overseer of Public Welfare,
Health Officer

BENNINGTON FIRE DEPARTMENT

The Bennington Fire Department responded to 150 calls in 1997. Of these, there were 67 rescue, 9 structure fires, 4 brush fires, 27 motor vehicle accidents, 17 mutual aid calls and 26 miscellaneous calls.

In 1997 we have taken on more new members, both on the Fire Department and on our Explorer Post. We also put a 1984 GMC 4x4 brush truck into service, completely equipped to handle our calls for brush fires. As previously reported, we have purchased a new pumper/tanker and expect its arrival in late winter of 1998.

The Fire Department itself has received some cosmetic work - the apron area was repaved, thanks to the Highway Department, and a "Welcome to Bennington" sign was erected on the lawn.

In closing, all the members of the Bennington Fire Department and Explorer Post would like to thank the Townspeople for their help and cooperation in 1997. We look forward to serving you in 1998.

Thank You,
All Members, Bennington Fire Department

BENNINGTON FIRE EXPLORERS

Fellow Citizens of Bennington,

We have completed another productive year as fire explorers. The Post has put on numerous fund-raising events including car washes and a spaghetti supper. We would like to take this opportunity to thank our advisors, Lieutenant Joseph O'Brien and Assistant Fire Chief Mark Chase, for their numerous hours devoted to our post. Also, a big thanks goes to their families for their generosity to allow them to attend our functions. I cannot finish this letter without a huge thanks to Fire Chief Nick Collemacine and the rest of the Bennington Fire Department members for their support. Our Post is now 9 members strong and we have been very productive as a group. Our members are: Kristen Belcher, Karen Belcher, Tim Carr, Tim Clow, Chrissy Elliot, Kristie French, Micki Trumpower and Dave Robbins. These members have given me every ounce of patience and respect in my term of Captain. As I finish my last year as an Explorer, I would just like to say that the Fire Explorer Program is one of the best programs for teenagers I can think of. I have learned respect, communication with others, teamwork and most of all community relations; not to mention all the fire fighting tactics. As I look back on my two years on the Post, I can think of only one thing wrong: we should have started earlier.

Respectfully submitted,
Brett French, Captain
Bennington Fire Explorers

HIGHWAY DEPARTMENT

The construction season for the Highway Department started in April with work on the lower part of Gillis Hill and the intersection of Switzer Road. Gravel was added and culverts extended.

Roads were then swept and sand picked up, and spring grading was done.

Irrigation was installed on the Common, as well as granite curbing.

Work began on the Fire Station, involving excavation of old pavement and it's base. Then new gravel was graded and compacted. The Brox Paving Company, in appreciation of our patronage, paved it at no cost to the Town.

Work began on Merrill Drive through an agreement with Primary Bank. The Town road was brought up to specification and paved. Paving was also done on Knightland Road, Pierce Road, Balch Farm Road and North Bennington Road. Parts of North Bennington Road were raised in order to cure the flooding problem in the spring. Drainage and ditch work was done on Old Greenfield Road.

Once again this year the Selectmen and the Budget Committee have recommended a Warrant Article for the replacement of the Highway Garage. I urge your support of this Article as this will provide the Highway Department with one location in which to store all equipment, parts and tools. The current garage is in need of costly repairs and upgrading and is too small for our needs inside and out.

The Selectmen will appoint a Committee to advise them of the best use of the current Garage.

Respectfully submitted,
David Blanchard, Road Agent

SOLID WASTE MANAGEMENT

Those who lead Town Departments/Committees/Commissions traditionally use this section of the Town Report to record changes in their operations during the year - as long as those changes are good ones. Your Solid Waste Management Committee didn't make many alterations at the Transfer Station; we'd like to think that we didn't need to; that the Station can stand on its record - a quietly efficient part of Bennington's public services.

There was one change we bring to your attention. The Station is open from 3 p.m. to 8 p.m. on Friday nights. Many residents have found it convenient; many others, we're sure, may simply not be aware of it yet. So ... you're welcome to Friday service - 3-8 p.m.

Waste hauling costs increase each year, and that is reflected in our budget, of course. We remind you that those increases are on a controlled and fixed schedule, under the terms of the ten-year agreement signed in 1996 between the Selectmen and Waste Management of New Hampshire. The increase is \$2.00 a ton, a figure which will still place Bennington in a solid position, compared to our sister communities, even in the year 2006.

Final figures on the tonnage of waste disposed of in 1997 shows a very slight decrease from 191.84 tons a year ago to 191.18 tons this year. This decrease indicates that recycling efforts by the Bennington Transfer Station and citizens are working well to keep recyclables out of the waste stream. The following composite list indicates the items the Bennington Transfer Station has recycled over this past year:

<u>Recycled Item</u>	<u>Recycled Weight</u>	<u>Recycled Item</u>	<u>Recycled Weight</u>
OCC (Cardboard) and mixed paper	41,620 lbs	Blue/Green Glass	8,000 lbs (approx)
PETE, #1 Plastic	2,180 lbs	Clear Glass	11,080 lbs
HDPE, #2 Plastic	4,440 lbs	Tires	149
Aluminum	2,040 lbs	Batteries	33
UBC	900 lbs	Used Motor Oil	455 gallons

TOTAL TONS RECYCLED = 37.6 tons

In addition to the items above, the Bennington Transfer Station also accepts aluminum foil and household batteries. You are reminded that recycling remains the one step all of us can take every day to "hold the line" on waste disposal costs. Remember a pound recycled is a pound saved from tipping fees.

The list of non-acceptable items remains the same as it was at the opening of the facility six years ago and is as follows:

1. Harmful, hazardous or toxic substances
2. Sludge or septic waste
3. Demolition debris & stumps
4. Large, non-metallic household items (e.g. mattresses, wooden furniture)

5. Any material which in the opinion of the Transfer Station Attendant constitutes a serious hazard to other users of the facility, to the property of the Town, or the operation of the Transfer Station.

We are pleased to report that the Bennington Transfer Station was selected by the State Department of Environmental Services as a model facility for a meeting of solid waste/recycling personnel in June.

We extend our gratitude to Lester Foote, Mike Cook, Adam Perry and Matt Blanchard for their good work at the Station. Other thanks to Dave Blanchard and Duffy Fox who contribute a portion of their Highway time to make things tick.

Steve Chase, Chairperson,
Philip R. Germain
John Paradise
Solid Waste Management Committee

CONSERVATION COMMISSION

The Conservation Commission continued work as a monitoring body. The monitoring includes review of applications on issues that would have an impact on the local environment. These include such things as gravel excavations, timber cutting and any development project that has the potential to impede water or change the character of our landscape.

Water is a particularly precious resource in the town of Bennington. Through the viewing of maps and site visits, water resources and wetland issues are monitored.

The Commission remains committed to education of our young and we hope to be able to once again send one of our youth to an environmental camp experience.

Fieldwork to establish *exactly* where our town boundaries run is an ongoing project and sometimes adventure. We urge citizens owning land along a town boundary to accompany us on our trips.

A focus in the coming year will be to identify lands that would be appropriate to conserve for the public good to ensure good water, allow recreational access and protect the environmental beauty of our town.

We thank all those who have participated in our journeys and cooperated with our programs.

Respectfully submitted,
Bennington Conservation Commission
Jon Manley , Chairman
David Barrett
Peter Eppig
Bruce Edes
Joseph MacGregor
Dennis McKenney
Terry Schnare

PLANNING BOARD

In terms of the usual "administrative" functions, i.e. sub-divisions and the like, this has been a pretty slow year, which is actually very good from the Town's perspective, since the absence of significant growth helps to stabilize our tax rate.

In another area, however, the Board has been quite busy: that is the matter of regulating gravel excavation in Town. For the first time, we actually have a set of gravel regulations, which must be adhered to by anyone applying for a permit. This is important for several reasons. First, Bennington does have significant reserves of gravel, and in the future (as a result of a change in state law) the commercial removal of gravel may be taxed by the Town. At the same time, this gravel performs a vital task in that it acts as a giant filter to ensure the purity of the water in the Town's aquifer; thus it is hardly a resource we wish to squander. In addition, gravel operations bring with them a host of other issues, such as safety, noise, aesthetics, restoration, etc. We are now in a position to set standards and maintain control of the future of any gravel operation.

A good example of the way in which this works took place recently during a Public Hearing on the application of the Quinn Brothers for a permit on their operation just beyond the old Town waterworks on Route 47. Abutters and Board Members expressed some concern over safety issues since their access road (which is grandfathered) cannot readily be seen by vehicles coming down the hill from the ski area. In response, the Quinn's agreed to remove and landscape the esker along Route 47 which currently blocks the sightlines. The result should be safer and attractive.

We have been greatly assisted in all of these matters by advice and counsel of the Southwest Regional Planning Commission; we have worked very closely with Carol Ogilvie from that office and her help has been vital.

Frank Cordelle, Chairman
Peter Eppig, Vice-chair
Doug Wilk, Secretary
Terry Schnare, Ex-officio
Tom Carr
Gail Rochford, Alternate
Sue Seneschal, Alternate

ZONING BOARD OF ADJUSTMENT

The Board was asked to consider only two cases in 1997, both as the result of denials from the Planning Board.

In February, they acted on the request of Jerry and Janet Willis, who sought a variance from the Board to reopen a former restaurant facility on School Street, the one-time "Lobsterman Restaurant". The site failed to meet the Bennington Zoning Ordinance requirements in regard to parking spaces. Following the Board's February 13 Public Hearing, it was concluded, unanimously, that the variance request be granted.

In October, the Board granted a variance request sought by the Contoocook Housing Trust to allow the former "Grange Hall", 7 Francetown Road, to be used as a two-family dwelling.

Board Chairman Harry Sewall submitted his resignation in October. The remaining members look forward to welcoming the ZBA's first two elected members following Town Meeting voting March 10.

Alternate member openings have existed on this Board in 1997 and will continue to exist in the year ahead. Any resident interested and willing to serve is strongly encouraged to contact the Board by contacting the Administrative Assistant at 588-2189.

William B. Reid,
For the Zoning Board of Adjustment

CAPITAL IMPROVEMENT PLAN COMMITTEE

The Committee received its first formal commission by vote of the Board of Selectmen on October 8, 1997:

COMMISSION

Capital Improvement Plan Committee

October 8, 1997

The Committee shall consist of no fewer than five members and shall be appointed, annually, by the Board of Selectmen. It will include a representative of the Planning Board, the Chairman of the Trustee of Trust Funds, an ex-officio member of the Board of Selectmen and no less than two members of the public at large.

The Committee will be responsible for the preparation, annually, of a recommendation to the Budget Committee on all Capital Reserve Fund, expendable general trust fund or similar long-term appropriations, exclusive of those involving municipal water or sewer services.

The Committee will, annually, elect a Chairman from among its members, who will exercise the authority and perform the duties customarily associated with that office.

Department Heads are expected to attend meetings of the Committee as needed but are not to serve as members of the Committee.

The Committee wishes to remind voters that its guiding philosophy has been to (1) anticipate long-term needs for major equipment/material projects, (2) establish Capital Reserve funds with annual minor appropriations in each area of need identified, (3) develop reserves sufficient to preclude the need for a major/catastrophic expenditure in any given year and (4) take advantage of earned interest on these accounts; accumulated interest which, in most instances, can cover from thirty to thirty-five percent of the actual purchase price.

In keeping with that philosophy, we recommended in 1998, for example, the reinstitution of the Fire Truck Capital Reserve Fund in the very year in which the Town's newest unit is scheduled to begin service.

Residents will have an opportunity to vote on each of the Funds in March. Purchases recommended for 1998 are a power mower (Highway/Recreation); a Police Cruiser and a one-ton Highway Truck.

Your suggestions are always appreciated.

Joseph MacGregor, Chairman
Capital Improvement Plan Committee

ELECTION REPORT

The pace of elections slowed a bit in 1997. Four hundred and eighty-seven Bennington voters turned out for the combined Town and School District voting day. Of these, twenty seven registered to vote that day, proving once again that the new Same Day Registration system is working very well in Bennington. We hope the trend continues. Same-Day Registration allows new voters to register at the polls on voting day. All they need to bring is a drivers' license or other proof of residency.

There are several changes to the process this year. The Official Ballot Bill, allowing voters to vote on warrant articles at the polls, is in place, but the schedule has been moved back, so that the deliberative session of Town Meeting is February 7th. The voting day to elect town officers and vote on warrant articles will be March 10th.

Another important change will be that the Town Meeting will once again take place in Bennington at our expanded downtown Pierce Elementary School. Many will be relieved not to have to leave town to participate in our own Town Meeting!

This year, Bennington voters will be able to elect members of the Planning Board and the Zoning Board of Adjustment, a change which was voted in last year. There are many elected positions and a full slate of warrant articles to vote on, making it as important as ever to come to the polls and do your part. If you know you will be out of town on March 10th, or are not sure you can make the polling hours because of your work schedule, make sure you pick up an absentee ballot from the Town Clerk as soon as possible.

Last year was the first year that Bennington voters used the Official Ballot to vote on warrant articles. Ballots were longer than usual, but Bennington voters came prepared with sample ballots and information provided by the town. The State Municipal & County Government Committee performed an exit survey of towns (including Bennington) that used the Official Ballot last year. Most voters responded that they felt sufficiently informed and like being able to use the Official Ballot for voting.

The unsung heroes, of course, are the election officials and other volunteers who stayed late to count the ballots. There was a lot more counting to do, and everybody pitched in. Many thanks...

Copies of the Bennington Checklist are available on request for \$10 in both paper and computer disk forms. Registration cards on file and prior years' checklists are open to inspection during normal Town Hall business hours.

You will see a new face on the Board of Supervisors this year. Welcome, Darlene McKenney. Also, thanks to Linda Osienski for filling in in 1996 & 1997.

Finally thanks to everybody who votes, runs, volunteers, serves. It takes all of us to keep the process balanced and fair.

Respectfully Submitted,
Supervisors of the Checklist,
Victoria Turner
Dawn A. Bond
Darlene L. McKenney

PIERCE SCHOOL PTO

Another year has gone by quickly at Pierce School! We settled in comfortably at the Crotched Mountain Rehabilitation Center in Greenfield while our new school was being built and before we knew it June was upon us and it was time to say our good-byes. The Rehabilitation Center provided the students with plenty of space to learn and play, beautiful views to enjoy, and swimming lessons were made available to our students at the center's indoor pool.

While the construction of the new school was taking place, the PTO set its sights on fundraising with visions of new playground equipment for our new school. In January, the PTO began planning a Penny Sale which was held at the Great Brook Gym in Antrim on May 9th. Donations were collected from local businesses and set up for display by volunteers while Pierce School students walked around displaying items and collecting tickets. The Penny Sale turned out to be a huge success and a lot of fun for those who attended!

In June the Fourth Grade Banquet and Graduation was held at the Fire Station. The Rehabilitation Center also held an end of the school year picnic for the Pierce School students and teachers providing food, entertainment and lots of fun! There was a true feeling of community at Crotched Mountain Rehabilitation Center - a sense of goodness, of willingness to help, and of caring. The students and the staff felt privileged to be part of the Crotched Mountain family. The memories will live in our hearts forever.

Once school was out, the teachers once again packed up their classrooms anticipating the start of the 1997-1998 school year in the new Pierce School. Bennington residents watched throughout the summer as construction of the new school neared completion. The students and parents were invited to an informal Open House so they could find their classrooms on the first day of school. The excitement and awe of walking into a beautifully renovated and spacious new school was felt by parents and children alike. The community was welcomed into the new Pierce School in October with an Open House and Dedication Ceremony.

In October the PTO organized a Community Yard Sale, which we would like to make into an annual event. October also brought Mary Lyn Ray, an author of children's books, to Pierce School for a day, and in the evening a pot luck dinner was held for the students and families of Pierce School. After dinner Mary Lyn shared her book, *Pumpkins*, with the audience followed by a book signing. The PTO held its annual Community Ornament Night in November in preparation for the Annual Craft Fair held the first Saturday in December. On the day of the Fair, crafters filled the new multi-purpose room and beyond. A visit from Santa, who had his picture taken with many excited children, gave an especially festive feeling to the day! We are delighted to note that the Pierce School Christmas Program and Christmas Buffet were held at the Pierce School for the first time ever in the new multi-purpose room!

The PTO is a vital part of the Pierce School and our town. Thanks to all the parents, teachers, Town Officials, businesses, and community members who give their time, efforts, and support to the Pierce School. Your participation greatly benefits the children of our community as well as conveying a positive example of community involvement.

1997-1998
Pierce School PTO Co-Presidents,
Claudia Sysyn
Val Germain

CONVAL SCHOOL BOARD REPRESENTATIVE

Thank you for the opportunity to serve as your School Board Representative. The year has been full and rewarding, and a tremendous learning experience.

Because of location I was able to appreciate first hand the effort and coordination that went into the building of the "new" Pierce School. The teachers put in tremendous effort to make the transition smooth, both for the parents and students. The new building is working well, and has enhanced the downtown area. We have had many compliments from our citizens, and the citizens from surrounding communities about the final product, and its benefit to the community, and we are glad to once again have the flag flying and our students back in Bennington.

Congratulations to Joan Schnare and Pierce School for having received two donations of \$10,000.00 from Muriel Bowker for purchase of furniture, books and equipment.

The northern district should be very proud of their Middle School, and their Middle School principal, Rick Nanicelli, who was this year voted New Hampshire Middle School Principal of the Year.

We all should be proud, too, of the excellent letters of support for the "lunch ladies" at the Middle School written by a few of our Middle School citizens here in Bennington. We are also proud of the Bennington students who are leaders throughout the district and are excelling in the music, academic and athletic programs.

With the funding formula more fairly adjusted, and with the recent outcome of the Claremont suit, it seems that the burden of paying for education is on the way to being more equitable. It will be interesting to see where this will end up in a year's time. Certainly the discussion is lively.

Our district was the recipient of a grant from the Kettering Institute this year. This grant will be used to set-up community forums, addressing issues and inviting speakers with specialties in community needs and communication. Please keep an eye out for the meeting dates and try to participate. It is another way to be involved with the education that your children are receiving, and a way to communicate what you want for their education.

Thank you to Mark Tazelaar for the six years he put in on the School Board. I certainly appreciate the work he did for us, even more now that I am trying to fill his shoes. School Board representatives spend many hours and days per week working to make the best environment and education available to our children. It is a frustrating, complex and rewarding job.

I've always known how important it is to participate in your child's education, but now more than ever it is evident to me that every single parent has tremendous import in whether or not their child has a positive school experience. Stay involved, it is more than just voting once a year. It is actively communicating with your classroom teachers, principals, guidance counselors, nurses, superintendents and your School Board representative.

Joseph MacGregor
Bennington Representative
Conval School District

TOWN OF BENNINGTON, NEW HAMPSHIRE

MINUTES OF THE MARCH 15, 1997 TOWN MEETING

DELIBERATIVE SESSION

Session 1 of the 1997 Bennington Town Meeting convened on Saturday, March 15, 1997 at 10:00 a.m. at the Great Brook Middle School in Antrim, New Hampshire. The Moderator, James G. Dodge, called the meeting to order at 10:15 a.m. The Moderator informed the voters present that this Town Meeting would be significantly different from Town Meetings in the past since the Town adopted Senate Bill 2 on March 12, 1996. The Moderator then proceeded to review the rules and procedures for the deliberative session.

To be discussed at this deliberative session were Articles two through twenty-six on the Town Warrant. Article 1, the election of Town Officials, would be voted on at the polls on April 8, 1997. The Moderator will read each Warrant article and then seek a motion to move the article to get it on the floor for discussion. The Moderator will address whoever made the motion to move the article to address that particular article, before it is moved to the floor for discussion. The only actions to be taken at this deliberative session would be to offer amendments to the Warrant Articles and then have the voters approve or disapprove the proposed amendments. Any amendments proposed must be submitted to the Moderator in writing. If an amendment is approved by the voters today, then that amendment will appear on the ballot April 8th. Articles 4 and 5 cannot be amended per state statutes. If there are no amendments on any given Article and after all discussion is finalized, the Moderator will then re-read the article as it will appear on the Official Town Ballot on April 8, 1997.

All voting on the Warrant articles, the Town Officials, and the Conval School District Warrant Articles will be voted on at the polls on April 8, 1997 at the Fire Station from 8:00 a.m. to 7:00 p.m. The Moderator informed voters that the polls would be closing one hour earlier than usual due the extra time needed to count and tally the votes from the three ballots.

The Town Meeting will otherwise be conducted as a business meeting per the rules and regulations of Town Meetings as outlined in the state statutes. Motions to reconsider an article will not be accepted once discussion has moved on to another Article.

The Moderator noted that the Town is required to hold an informational hearing on March 25, 1997 relative to the actions taking place at the meeting today. This meeting will be strictly informational and will take place at 7:00 p.m. at the Town Hall reviewing the Town Warrant and any changes introduced today. Discussions on the Warrant articles then ensued.

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: You are hereby notified to meet at the Fire Station on Tuesday, the eighth day of April, next at eight o'clock in the forenoon, to act upon the following subjects:

Note: The casting of the absentee ballots will begin at 2 p.m. The polls will close at 7 p.m.

1. To choose all necessary Town Officers for the year ensuing. **The results of the April 8th elections are as follows:**

Selectman - John J. Cronin III

Town Clerk - Valerie Germain

Treasurer - Joyce L. Miner

Library Trustee - Virginia M. Young

Supervisor of the Checklist (5 yrs) - Dawn A. Bond

Supervisor of the Checklist (1 yr) - Darlene McKenney

Trustee of the Trust Funds - Mae A. Lizotte

Cemetery Trustee - Jill S. Ferry

Water & Sewer Commissioner for 3 yrs. - Tie between Thomas Carr and Roy J. Johnson*

*Note: On April 12, 1997, the tie was broken by the Town Clerk who flipped a coin in the presence of Thomas Carr, Roy J. Johnson and James Dodge, Moderator. Thomas Carr was determined to be the winner.

Water & Sewer Commissioner for Two Years - David P. Rochford

Fire Chief - Nick Collamacine

1st Deputy Fire Chief - Timothy J. Attridge

2nd Deputy Fire Chief - Mark Chase

When the polls opened at 8:00 a.m., the Voter Checklist contained 858 names. During the day, 27 new voters were added to the Checklist. When the polls closed at 7:00 p.m., the Voter Checklist totaled 885 voters. A total of 487 voters (55%) participated in this election.

The Deliberative Session Town Meeting was attended by 72 registered voters.

2. Shall the Town raise and appropriate the sum of sixty thousand dollars (\$60,000) for the purpose of construction and original equipping of a new Highway Department Garage and authorize the issuance of not more than sixty thousand dollars (\$60,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and authorize the municipal officials to issue and negotiate such bonds or notes and determine the rate of interest thereon; further raise and appropriate the sum of fourteen thousand five hundred eighty-seven dollars (\$14,587) for payment of the first year principal and interest?

Note: Most of the discussion at the March 15, 1997 Deliberative Meeting concerned disposal of the current Town Barn and the land on which it sits. A letter from David Glynn of the Bennington Historical Society was read regarding the Historical Society's desire to acquire the site if the Town decides to vote for a new Highway Dept. Garage. The Historical Society would take the garage down at their expense and build a gazebo to replace the bandstand that was demolished in the 1950's and provide additional parking for the downtown area. **THIS IS NOT AN ISSUE IN VOTING ON THIS ARTICLE. A SPECIAL TOWN MEETING WAS PROPOSED TO DEAL WITH THE EVENTUAL USE OF THE BARN AND LAND.**

The rationale for building a new Highway Garage includes (1) repairs, needed improvements and upkeep of the Barn are costly (2) the location poses safety hazards with Pierce School youngsters and traffic (3) relocation of a new building would save time and dollars by having all supplies

and equipment in a single location (4) The cost of building materials increases every year and waiting to build a new town barn will only increase if the town waits to build a new one.

A TWO THIRDS VOTE IS REQUIRED FOR THIS ARTICLE TO PASS.

4/8/97 RESULTS: YES - 278 NO - 184

THE ARTICLE FAILED BECAUSE IT DID NOT RECEIVE TWO THIRDS MAJORITY

3. Shall the Town vote to amend its present Conflict of Interest Ordinance as follows:

CONFLICT OF INTEREST ORDINANCE FOR THE TOWN OF BENNINGTON
Proposed Changes

I. [No Change]

II. Amended to read:

DISCLOSURE OF POSSIBLE CONFLICTS OF INTEREST:

Whenever any Officer has a possible or potential conflict of interest as described in Section V, with respect to any matter upon which that Officer is to make a decision, either legislative or quasi-judicial, that Officer shall publicly disclose the nature and extent of the possible conflict of interest at a public meeting of the Board of which he or she is a member, or in some other effective public forum; this information to be duly recorded in the minutes.

III. Amended to read:

DISQUALIFICATION:

Whenever any Officer has a conflict of interest, as described in Section V, with respect to a matter upon which that Officer is to make a decision in a legislative or quasi-judicial capacity, that Officer shall be disqualified and shall step down.

{the second paragraph remains the same}

IV. [No change]

V. [No change]

VI. [No change]

Add a section that reads:

VII. CONDUCT:

No Public Official Shall:

1. participate in any hearing, debate, discussion or vote, or in any manner otherwise attempt to influence the outcome of a matter in which he or she has an interest;
2. utilize information obtained in such capacity for his or her own personal

benefit or that of his or her clients or the clients of the organization with which the public official is associated;

3. appear on behalf of a client before any governmental body of which the public official is a member or whose members have been appointed by the governmental body of which the public official is a member;
4. accept anything of value from any person or organization when the public official knows or reasonably should know that the offer is for the purpose of influencing the public official's actions or decisions;
5. use his or her official position to influence or to attempt to influence any governmental body to act in favor of the public official or the public official's clients or the clients of the organization with which the public official is associated.

These amendments shall take effect upon passage.

Selectman Chairman, James Cleary, informed the voters that the preceding amendment was sent to the Town's legal council for review. In view of town council's legal opinion of the potential legal problems with some sections of the proposed amendment, changes were recommended by legal council and an amendment by the Selectmen was presented to the voters as follows:

3. Shall the Town vote to amend its present Conflict of Interest Ordinance as follows:

CONFLICT OF INTEREST ORDINANCE FOR THE TOWN OF BENNINGTON

Conflicts of Interest Described and Regulated

I. [No Change]

II. [No Change]

III. [No Change]

IV. RESOLUTION OF UNCERTAINTY; PROCEDURE: Whenever uncertainty arises as to the application of Section III to an Officer acting as a member of a Board, the Board shall, upon request of that member or another member of the Board, vote on the question of whether that member should step down. Any such request shall be made prior to the commencement of any public hearing, or immediately following a disclosure under Section II, whichever is later. Such determination by the Board shall be advisory only and shall not be binding on the Board member that is the subject of the vote. Any person(s) aggrieved by a Board member's refusal to step down in such an instance shall be entitled to pursue the issue of the propriety of that Board member's refusal in Superior Court.

V. [No change]

VI. [No change]

VII. In keeping with RSA 31:39-a, any officer or employee who is in office or who is employed at the time the ordinance is adopted is exempt from its provision for a period not to exceed one year from the date of adoption.

Discussion ensued regarding replacing the petitioned amendment with an amendment brought forth by the Board of Selectmen. A few voters expressed concerns that the original petition went too far in disclosing a potential conflict; meaning a person on a Town Board with a potential conflict of interest would have to name the person he/she has the conflict with and the nature and extent of the conflict. A reply from the floor stated that a similar ordinance such as the original petitioned article is currently in place in New Ipswich regarding the disclosure issue and it has apparently not affected town business. It was further stated the petition was drawn from a pamphlet which came from the NH Municipal Association.

A voter from the floor questioned whether the Selectmen had an opinion on the petitioned article.

John Cronin replied by stating in many cases a person must maintain the confidentiality of a client and the nature and extent of the conflict, to violate this confidentiality would be to violate the canons of Professional Responsibility. Jim Cleary addressed the voters by stating that it is procedure to send the Town Warrent to Bill Drescher, Town Council, to review the Warrant and make legal suggestions. The Board felt that the suggested changes per Town Council be followed. A secret Ballot Vote was requested to decide the acceptance or denial of the Amendment put forth by the Board of Selectmen.

RESULT OF SECRET BALLOT VOTE: YES - 48 NO - 22

THE AMENDMENT AS OFFERED BY THE BOARD OF SELECTMEN PASSED

4/8/97 RESULTS: YES - 259 NO - 190

THE ARTICLE PASSED

21. Shall the Town raise and appropriate the sum of four hundred fifty dollars (\$450) as its share of the 1997-1998 programming for Project LIFT (Fuller Public Library, Hillsboro) which provides literacy services and materials to Bennington residents over 16 years of age?

Note: This article was requested to be taken out of sequence due to the time constraints on the two women, Martie Majoris and Tammy McClure, from Hillsboro who came to speak on behalf of the issue. This article seeks funding to provide literacy services and funding for Bennington residents 16 years of age and older. A suggestion came from the floor to perhaps include the Project LIFT in the regular town budget and perhaps increase the amount.

4/8/97 RESULTS: YES - 358 NO - 107

THE ARTICLE PASSED

4. Shall the Town elect the members of its Planning Board in accordance with the provisions of RSA 673:2,II(b)(2)?

"The selectmen shall choose one selectman or administrative official of the town as an ex officio member and the remaining planning board positions shall be filled on a staggered basis at the subsequent regular town elections pursuant to RSA 669:17 as the term of an appointed member expires, until each member of the board is an elected member. The maximum number of elections to occur annually shall be as provided in RSA 673:5, II. When each planning board member is an elected member, such member shall be elected for the term provided in RSA 673:5, II."

Note: The elected members would be phased into the present Board over a period of time until all members, except the ex officio member, are elected members. No amendments are able to be accepted on this Warrant article.

4/8/97 RESULTS: YES - 332 NO - 123

THE ARTICLE PASSED

5. Shall the Town elect the members of its Zoning Board of Adjustment under the provision of RSA 673:3, II?

"Zoning Board of Adjustment members who are elected shall be elected for the term provided under RSA 673:5, II. The terms of appointed members of zoning boards of adjustment in municipalities in office on the effective date of an affirmative decision to elect such board members shall not be affected by the decision. However, when the term of each member expires, each new member shall be elected at the next regular municipal election for the term provided under RSA 673:5, II."

Note: The elected members would be phased into the present Board over a period of time until all members are elected members. No amendments are able to be accepted on this article. A question from the floor regarding provisions in the event of a resignation was raised. John Cronin responded by stating that the elected Planning Board or Zoning Board have the statutory authority to appoint three alternate members for three year terms and in the case of resignation the members, they also have the authority to appoint a new member until the next Town election. (RSA 673:6)

4/8/97 RESULTS: YES - 333 NO - 114

THE ARTICLE PASSED

6. Shall the Town reinstate the practice of printing the complete invoice and property tax listing, including gross tax and a complete listing of unredeemed taxes in the annual report?

Note: Proponents at the Deliberative Session argued that the practice of printing this information was valuable to the Town; that it was traditional; that no one has explained why it was discontinued. Opponents argued that it was an additional, unneeded expense; that the information was readily available at the Town Hall; that it was an unneeded invasion of privacy.

A concern from the floor regarding the expense of placing the unredeemed taxes caused the following amendment to be brought forth:

Shall the Town reinstate the practice of printing the complete invoice and property tax listing, including gross tax and a complete listing of unredeemed taxes in the annual report and include the cost to the taxpayers to resume this practice? This information is available to the Townspeople at the Town Hall during business hours.

THIS AMENDMENT WAS DEFEATED BY VOICE VOTE

4/8/97 RESULTS: YES - 246 NO - 221

THE ARTICLE PASSED

7. Shall the Town adopt the provisions of RSA 466:31; and approve an Ordinance defining and regulating the control of dogs in the Town of Bennington?

Note: No response at the Deliberative Session. This Article would officially endorse the State Dog Control statute by the Townspeople of Bennington.

4/8/97 RESULTS: YES - 341 NO - 120

THE ARTICLE PASSED

8. Shall the Town, pursuant to RSA 154:1(III), choose a form of fire department organization in which the Chief and Officers are elected, while the firefighters would be elected by firefighters. Since the Town does not currently have a fire department organization that complies with the provisions of RSA 154:1(a)-(e), it is understood that this organization will take place immediately, without the one year delay provided for by RSA 154:1(IV) and will result in all firefighters in good standing as of the date of this vote to be enrolled as such and entitled to vote for the admission of future firefighters to their number. The present fire chief and officers will similarly be immediately installed as the chief and officers for a term of 1 year each, at the conclusion of which they shall be subject to reelection. By-laws governing the conduct of the election of firefighters may be drafted by the firefighters and once approved by them submitted to the Selectmen and the Fire Chief for approval. When and if approved by the Selectmen and the Fire Chief the same shall thereafter govern the conduct of the firefighter selection process. Said By-laws shall include a provision that allows them to be amended in the same manner. By-laws, rules and

regulations of the department that govern matters other than the election of firefighters shall be drafted by the Fire Chief?

Note: No discussion at the Deliberative Session. Recommended by Town Counsel to bring Bennington's Fire Department into conformance with recently enacted State Law. Requested by the Bennington Fire Department Officers to enable them to amend their internal policies without the necessity of Town Meeting action.

4/8/97 RESULTS: YES - 363 NO - 85

THE ARTICLE PASSED

9. Shall the Town modify the Elderly Exemptions from property tax in the Town of Bennington based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$20,000; for a person 75 years up to 80 years, \$40,000; for a person 80 years of age or older, \$60,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$18,500 or, if married, a combined net income of less than \$25,500; and own net assets not in excess of \$50,000 excluding the value of a person's residence?

Note: The State Legislature, in 1996, required that all communities prepare a new Elderly Exemption policy. The one proposed here is designed to exclude none of Bennington's older citizens who currently are receiving the Exemption. Allowable annual income figures have been raised over the previous 1992 levels.

4/8/97 RESULTS: YES - 391 NO - 70

THE ARTICLE PASSED

10. Shall the Town create an expendable general trust fund, to be known as the "Bridge Maintenance Fund", for the purpose of construction or reconstruction of town bridges and raise and appropriate the sum of five thousand dollars (\$5,000) for deposit in such account, and grant the Selectmen the right to withdraw such sums as may be required for emergency repairs to bridges, after a Public Hearing but without further action of Town Meeting?

Note: This Article will initiate savings toward eventual bridge replacement costs (similar to a Capital Reserve Fund) while providing funds, if they are needed, to do required maintenance work on Town Bridges.

4/8/97 RESULTS: YES - 340 NO - 120

THE ARTICLE PASSED

11. Shall the Town authorize withdrawal from the Used Fire Truck Capital Reserve Fund such funds as are necessary for the purchase and equipping of a Forest Fire vehicle, final purchase and equipment costs to be determined by the Selectmen?

Note: This Article is not an appropriation. It authorizes withdrawal of existing Capital Reserve money to equip a vehicle, probably a used pick-up truck, as a forest fire unit. A question from the floor wanted to know what the exact sum of money to be withdrawn would be. Mark Chase indicated the sum was \$16,500 that would be withdrawn.

4/8/97 RESULTS: YES - 323 NO - 137

THE ARTICLE PASSED

12. Shall the Town (1) raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in the Fire Truck Capital Reserve Fund (2) authorize withdrawal from that fund such funds as are necessary, not to exceed one hundred forty-two thousand five hundred dollars (\$142,500), for the purchase of a 1997 International Pumper and (3) authorize the Board of Selectmen to arrange for short-term borrowing in respect to the purchase in order to meet payment deadlines/maximize return from invested funds?

Note: As most residents are aware, the Town's #2 fire truck had to be taken out of service in June. The Capital Reserve Fund providing for its replacement was planned for 1999. Fortunately, the Department finds that with approval of the "Annual" \$15,000 capital reserve fund appropriation, sufficient money will be available to make the purchase this summer.

The added Selectmen's authorization is to permit short-term borrowing that will avoid the Town paying a more costly penalty from early withdrawal of invested Fire Truck Funds in the Capital Reserve accounts.

4/8/97 RESULTS: YES - 347 NO - 106

THE ARTICLE PASSED

13. Shall the Town raise and appropriate the sum of two thousand dollars (\$2,000) to be placed in the Rescue Vehicle Capital Reserve Fund?

Note: The Town purchased a Rescue Vehicle in 1996. This Article seeks approval to restart the Fund for its replacement.

4/8/97 RESULTS: YES - 364 NO - 94

THE ARTICLE PASSED

14. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Police Cruiser Capital Reserve Fund?

Note: The Police Department currently owns a 1992 Ford Explorer and a 1995 Crown Victoria. This Article seeks funding for a replacement for the Explorer in 1998, under a three-year cruiser rotation schedule.

4/8/97 RESULTS: YES - 270 NO - 185

THE ARTICLE PASSED

15. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Highway Truck Capital Reserve Fund?

Note: The Highway Department presently owns a 1992 International Plover/Sander (one-ton) and a 1996 International Plover/Sander (2 1/2 ton). This Article seeks a second-year appropriation to the Capital Reserve Article for their eventual replacement.

4/8/97 RESULTS: YES - 304 NO - 150

THE ARTICLE PASSED

16. Shall the Town establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Highway Equipment Loader/Grader and raise and appropriate the sum of three thousand dollars (\$3,000) to be placed in this fund?

Note: The Highway Department currently owns a 1989 Caterpillar Backhoe. This Article seeks funding for its replacement, or for another item of Highway equipment if needed.

4/8/97 RESULTS: YES - 293 NO - 161

THE ARTICLE PASSED

17. Shall the Town raise and appropriate the sum of two thousand five hundred dollars (\$2500) to be placed in the Water Department Capital Reserve Fund for Equipment Replacement?

Roy Johnson introduced a amendment to the voters which would modify the article as follows: adding the words, "authorizing the Board of Selectmen to withdraw that amount for replacement of a piece of Town owned equipment, a level transmitter, located at the Town's water tank."

Mr. Johnson went on to explain that since the preparation of the Warrant, a piece of equipment has failed. It is the piece of equipment that controls the level of the water in the Town's water tank. The cost to replace the equipment is \$3,140.

THE AMENDMENT PASSED BY A SHOW OF HANDS

Births Registered in the Town of Bennington for the Year Ending December 31, 1997

<u>Date of Birth</u>	<u>Place of Birth</u>	<u>Child's Name</u>	<u>Father's Name</u>	<u>Mother's Maiden Name</u>

In Memoriam ...

Bennington said farewell last spring to its oldest resident and holder of the Boston Post Cane when Francis H. LeBlanc, 63 Dodge Hill Road passed away at his home.

Francis was 94 years old and had lived in Bennington for twenty-seven years. He was a communicant of St. Patrick's Church and a volunteer with St. Joseph's Community Services in Antrim.

A one-time resident of Peterborough and an employee of New Hampshire Ball Bearings, Co., he is survived by a daughter, Sally Warren of Bennington, three grandchildren and six great-grandchildren.
